MidAtlantic Horse Rescue Scavenger Trail Ride Raises much needed funds for the rescue

Our annual scavenger trail ride (originally scheduled for April 22 but postponed for a week due to monsoons) had a smaller but equally enthusiastic crowd come to ride and support MAHR. Early bargain hunters cleared out a lot of the used tack from our popular used tack sale. Riders showed up throughout the day to ride through the beautiful private land surrounding the rescue. As usual, the gang at Unicorn Farm did a great job on the trail and the clues, and riders returned to free hot dogs, watermelon, and cold drinks. The event raised close to \$2000- for the rescued thoroughbreds at MAHR- Thank you to all who made the day a success!
